Maryland State Department of Education Office of Child Care Medication Administration Authorization Form

This form must be completed fully in order for Child Care Providers/staff to administer the required medication. This authorization is NOT TO EXCEED 1 YEAR.

This form is required for both prescription and non-prescription/over-the-counter (OTC) medications. Prescription medication must be in a container labeled by the pharmacist or prescriber.

Non-prescription/OTC medication must be in the original container with the label intact per COMAR.

Place Child's Picture Here (optional)
