FACULTY APPRECIATION LUNCH

MINUTES

Bev Woods provided a general overview of all the CPA events that occur throughout the year. Attendees were provided a copy of the "CPA Description of Events" document and it is attached to the minutes for those unable to attend. Sign up sheets were distributed to volunteer for events and, as the events move closer, contact information will be provided if anyone wants to volunteer in the future.

The Teacher Appreciation Luncheon (January) theme was discussed. Attendees voted for an Asian theme, edging out the NY theme by three votes.

Attendees approved the use of CPA funds to support the Lower School Skating field trip in the spring.

Volunteers are still needed to support the teacher break rooms. If you are interested please sign up <https://www.signupgenius.com/go/409094AAA4AB28ABF85-51229795-faculty#/>

BEAUTIFICATION

Kate Shoup, chair of the Beautification committee, provided an overview of the goals, projects, and scope of the committee. The volunteers manage some of the landscape, garden beds, outdoor decorations, and decorations for the Commons. Volunteers welcome!

RAISE RIGHT

Sonja Sampson provided an overview of the RaiseRight program. Ten new families have signed up! Please see attached flyer to sign up! Signing up takes 5 minutes!

ROOM PARENTS

Lea Cranford provided a room parent update. Class lists are being generated. Room parents will be sending out a welcome/introduction email soon.
