Bev Woods opened the meeting with big thank yous to all the parents who've donated (money and time) to the break rooms, the Athletic committee, Beautification committee, Family Bowling night, Kindergarten parents for refreshments, Friendship Feast in LS, and Friendsgiving in MS/US. We are grateful and couldn't survive without the help of so many parents.

Bev reviewed the November events and opened the floor to feedback on the events. The only feedback provided was regarding Veteran's Day/Parent Visitation Day. The feedback suggested that MS/US buddies be allowed to join LS students who do not have a parent/visitor for the morning.

Sonja provided an overview of the where the CPA budget stands and provided an overview of the RaiseRight program. RaiseRight allows you to buy gift cards and some of the proceeds are returned to the CPA! All you have to do is download the RaiseRight App, enter the code W8X3ZG2SUGTN, then fill out your info! Sign up takes five minutes! OR sign up [online](#). Detailed instructions are on the second page.

Bev reviewed the upcoming December events (listed to the left). Please consider volunteering for any of the events. A sign up genius will be circulated for the Faculty Luncheon.
