MS/US SIP-N-DIP

JANUARY 29

FACULTY APPRECIATION LUNCH

MINUTES

Please note clickable links are include below for direct access. Please remove pop up blocker before clicking.

The pros/cons were reviewed for the MS/US luncheon. Ultimately, the luncheon was a success and we had so many volunteers! We had multiple new volunteers which was very exciting! Leading up to the luncheon was very stressful because some of the food items ended up being provided by a few parents.

The pros/cons were reviewed for the Fall Festival. The US students running the games seemed to work great and they were all very nice to the LS students. Multiple cons were reviewed.

- The communications can be clearer regarding after care being available for LS students.
- The communication regarding the role of the parents to supervise the games can be clearer.
- Provide feedback to school that MISAL games conflict with the Coffeehouse and that kids cannot be expected to be at both. We discussed that the MISAL game schedule is outside the control of CPA/school.

If anyone has any additional feedback on the Fall Festival, you can email Lea Cranford (beffcl@hotmail.com).

Kenricka reviewed the plan for Family Bowling night. Kenricka created the sign up form! Dinner items will be available for purchase directly from the bowling alley but the CPA will provide cupcakes. Registration and payment has been extended to November 6th. UPDATE: Family Bowling Night is sold out!

Sonja provided an overview of the RaiseRight program and the CPA Athletic committee. The CPA Athletic committee is new and is working to identify how best to support our athletes. If you are interested in joining, please email Sonja (sampsonefive@gmail.com).

The CPA executive committee is working on a quarterly report of our finances to present at the December meeting.

FEEDBACK/QUESTIONS

If you have questions or feedback for the CPA, please contact us at anytime via email: CPA@calvertonschool.org
